Agriland first Bank
Yaounde, Cameroon

Subject Application for Internship (October - December 2025)

Dear sir/madame,

I am writing to express my sincere interest in undertaking a three-month Internship at Agriland First Bank, beginning in October 2025 and ending in December 2025, I am a student at ICT University pursuing studies in Computer science, ~~and~~ with strong interest in electronics, robotics and software development.

Over the past years I have gained valuable experience through academics work and personal projects. I have build innovative systems such as an IOT-base smart home plateform integrating Django, MQTT, and React Native, as well as Arduino and Raspberry pi-based ~~project~~ Robotics project. I am also the founder of ICT University Robotics Society at my University, where I encourage student to expore technology, creativity and problem solving. Recently, I presented my smart home innovation at the ICT for Africa Conference, where I was honored with an award for Innovation.

My Internship objectives are:

- To gain practical knowledge in financial and banking operations
- To contribute my skill in IT, software and system management to support Agriland's innovative initiatives
- To experience the professional culture of one of Cameroon's most prestigious banks and grow in a more competent future professionell.

Thank you for considering my application, I look forward to your response

Your faithfully,

Noumbassi Yandjeuson Stanley Derek
