Education

GBHS Emana

GCE O Level and GCE A level
2016 - 2023

The ICT University

Bachelor in computer science
2023 - 2025

Projects

Created my portfolio(html,css & javascript)

Arduino song kit and object detector(c, arduino)

Christmas counter(python)

Self Balancing Robot

Spider Robot(quadruplet)

ELECTO-nysd website(product sale) with Python Django

Line following Robot with arduino and fusion 360

Smart Cleaning Robot with arduino and fusion 360

chat application with c++

Inventory / Product Management with Java

Chat application with c++

ECONYSDCODE WEBAPP(FLUTTER PYTHON)

WASTE MANAGEMENT SYTEM(REACT)
